MAC FARM AG-VENTURES

It's All Happening At the Farm!

cals.arizona.edu/aes/mac
Cooperative Extension

THE UNIVERSITY OF ARIZONA.
The University of Arizona’s Maricopa Agricultural Center is a 2100 acre educational research farm that focuses on arid land agriculture. Each year, thousands of people of all ages come to this Center from around the country and internationally to learn about Arizona agriculture. Centrally located, it provides exciting and educational experiences for farm visitors.
MAC FARM AG-VENTURES

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, James A. Christenson, Director, Cooperative Extension, College of Agriculture & Life Sciences, The University of Arizona. The University of Arizona is an equal opportunity, affirmative action institution. The University does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, veteran status, or sexual orientation in its programs and activities.
WE LOVE THE FARM !!!

“Very educational; hands-on activities were great.”
   - Teacher, Phoenix

“The presentations were visual and held everyone’s attention. Staff was friendly too.”
   - Parent, Mesa

“Absolutely wonderful! You have one of the best educational field trips available.”
   - Adult Volunteer, Tucson

“I don’t want to leave, but I hope I can come back again.”
   - Student, Chandler

“A great way for urban youth to learn about Arizona agriculture.”
   - Teacher, Casa Grande
